Price List

TO CATALOGUE 1954

Listan upptager riktpriiser i Svenska Kronor pr st.

Leverans fullgöres, därest icke annat av oss skriftligen bekräftats, snarast möjligt samt med tillämpande av de priser, pristillägg, rabatter och villkor, som gälla vid leveranstillfället.

Emballaget debiteras men återtages icke. Omsorgsfull packning sker, varför vi icke ansvara för under transporten uppkommet bräck. Om så av köparen begäres, ordna vi transportförsäkring, som debiteras till självkostnad.

Anmärkningar emottagna senare än 30 dagar efter det varan emottagits beaktas icke.

Reservation för strejk, lockout, material- eller bränslebrist, krig eller krigsfara samt andra former av force majeure, direkta eller indirekta, över vilka vi icke kunna råda.

All prices are quoted in Swedish Kronor/pc.

Delivery, if nothing else by us confirmed, performed soonest possible and applying the prices, additional charges, rebates and other conditions, which are valid at time of delivery.

Packing extra. No compensation is allowed for goods, which is found to be broken or damaged on unpacking.

No claims will be admitted if made later than 30 days after the receipt of the goods.

Force Majeure Clause. All offers and agreements are made on the condition that — if general or special costs of procuring or manufacturing the goods increase, or delivery is hindered owing to war, measures by the authorities, fire or owing to difficulties in procuring raw materials, fuel, labour or motive power, or means of transport, or owing to other events beyond the seller's control — the seller has the right wholly or partly to suspend, limit or postpone deliveries without any liability to pay damages.
