Smäländskt Glas - Konsthantverk.

Allt slå vakt om det genuina Hantverket vid glastillverkningen har varit och kommer att förbli vår målsättning. Efter denna intention arbetar vi alla på Hovmantorp, formgivarna Rune Strand och Anders Solfors liksom våra Glasblåsare, Slipare och Gravörer.

Det gläder mig att här kunna presentera något ur vår kollektion.

Hovmantorp i september 1972
